Report of Principal and School Improvement Council

C.E Williams Middle School for Creative and Scientific Arts focuses on providing students the highest quality instruction in order to prepare them for the rigors of high school, college and careers in the 21st century. Built on the middle school model, each grade level includes two inter-disciplinary teams of four teachers. We continue to prepare students by emphasizing reading and writing across the curriculum through the use of document-based questions. Approximately 28% of our 8th grade students were enrolled in Algebra 1 with 100% of them passing the end of course exam; earning high school credit.

As a diverse community of learners, priority is placed on providing students access to amazing opportunities and experiences. In addition to the core content, students were offered visual arts, creative writing, dance, theater, band, music, chorus, physical education, strings and could earn high school credit for keyboarding, computer applications, and Spanish. One hundred percent of the 8th grade students enrolled in high school credit classes earned high school credit. In addition to multiple performances, band, chorus, and strings students collectively and individually earned multiple awards and honors throughout the year.

Students also participated in STEM opportunities through the Robotics Team, Sea Perch Remotely Operated Vehicles Teams, and Google CS First after school clubs. The Robotics Team advanced to state level competition and the Sea Perch Teams tied for first in presentation in their division. Furthermore, 16 8th grade students earned high school credit by attending the Mechatronics 1 class at West Ashley High School prior to the school day beginning at CEWMS.

C.E. Williams partners with Engaging Creative Minds. This non-profit organization provides artists-in-residence to provide arts integrated experiences through the core content to reinforce student learning. Examples include students creating geologic timescale mosaics in 8th grade science, creating "hero" puppets to accompany a corresponding writing unit in 6th grade ELA, and recreating scenes from the Middle Ages in 6th grade social studies.

Students also participated in experiences that took them beyond the classroom and out of the state. 6th grade students actively engaged in the science standards through a three day trip to the Mountain Trail Outdoor School in the Blue Ridge Mountains of North Carolina. 7th grade students studied ecosystems through kayaking and studied social studies by spending three days in Washington, D.C.

C.E. Williams Middle School for Creative and Scientific Arts is truly a school where all students are challenged, encouraged, and supported. That's why it is a great day to be a mustang!

ESEA/Federal Accountability Rating System

In July 2013, the South Carolina Department of Education was granted a waiver from several accountability requirements of the Federal Elementary and Secondary Education Act (ESEA). This waiver allowed SC to replace the former pass/fail system with one that utilizes more of the statewide assessments already in place and combine these subject area results with graduation rate (in high schools) to determine if each school met the target or made progress toward the target. This analysis results in a letter grade for the school rather than the pass/fail system of previous years. For a detailed review of the matrix for each school and districts that determined the letter grade, please use the following link: <http://ed.sc.gov/data/esea/> or request this information from your child's district or school.

Overall Weighted Points Total	88.5
Overall Grade Conversion	B

Index Score	Grade	Description
90-100	A	Performance substantially exceeds the state's expectations.
80-89.9	B	Performance exceeds the state's expectations.
70-79.9	C	Performance meets the state's expectations.
60-69.9	D	Performance does not meet the state's expectations.
Less than 60	F	Performance is substantially below the states' expectations.

Accountability Indicator (Title I Schools)

C. E. Williams Middle School for Creative and Scientific Arts has been designated as a:

	Title I Reward School for Performance - among the highest performing Title I schools in a given year.
	Title I Reward School for Progress - one of the schools with substantial progress in school subgroups.
	Title I Focus School - one of the schools with the highest average performance gap between subgroups.
	Title I Priority School - one of the 5% lowest performing Title I schools.
	Title I School - does not qualify as Reward, Focus or Priority School.
X	Non-Title I School - therefore the designations above are not applicable.
